Spreading JOY in Your Community!!!

This is the second year a group of Agape volunteers have teamed together to provide our Agape children with Easter baskets.

Their main goal was not to just provide children with a treat on Easter morning, but to further spread the true reason for that JOY on Easter morning. Special bracelets were made by volunteers and tied to each basket explaining the different colors and how each color represents God's love and the price He paid by sending His son.

We have been blessed with the means to provide these baskets with no cost to The Agape Center. Some 'Bunnies' kept leaving the needed items for our baskets, including new small toys, candy and stuffed animals. God lead the volunteers to NEW baskets at Goodwill for almost no cost!

"The part I have treasured most about the time cannot be seen in the brightly colored baskets tied with cellophane and bows. It is memories that will forever be tied to our hearts. This includes the relationships with fellow Christians as we worked. We have laughed, and we have shared lunches and memories of the Easter's of our youth. We have seen God provide, He is in even the smallest details of Agape. While we know Easter baskets aren't a necessity, we believe they will be a treat on Easter morning and a blessing to a parent who may not otherwise be able to provide one for their child." said volunteer Bonnie Milam.

Our goal is to be able to provide each Agape child with an Easter basket next year.
