Staying inside, keeping out of the cold? Great time to clean out your closets! We know what you can do with your gently used coats and blankets.

Of course we always welcome them. However, right now is a critical time for our clients. Many are going cold; we have a waiting list for those who are in need of coats and blankets.

The Agape Center is holding a winter coat and blanket drive until the end of February. You can drop them off at the above locations.

In the month of December The Agape Center tended to the needs of 452 families and 1378 individuals!

The Agape Center's 2nd annual food drive collected a pick-up truck full of non-perishable items and raised a little over \$850.00!
