The Agape Center's Christmas Store

Yes, you read correctly! A lot of work goes into preparing The Agape Center's Christmas Store, which opens the first of November. Our volunteers have already begun preparations.

Our most popular item is our Christmas baskets!! They color-coordinate spa baskets, kitchen baskets, baskets for men and baskets for children filled with stuffed animals, dolls and candy. Even the smallest trinket we can make use of.

If you'd like to donate or volunteer please contact Bonnie Milam at 540-296-0609

*Our School Supply Drive was a success!!! Our volunteers put together and gave out approximately **225** school bags for the Agape children who returned to school this year.*

We Need Your Help!

We are looking for volunteers for our pantry area at least one day a month. Please contact us for more details.
