

# The Agape Angel Tree

Please help us bring joy to our Agape children by pick an angel from one of our trees. We have 427 children on our trees this year!

Each Angel comes with directions on exactly what to do. The gold angels are girls and the silver angels are boys. On the back you find out the age of your angel, their first name and a few suggestions for gifts, with a \$30.00 limit. The gifts will be giving to the children during The Agape Christmas party, being held at East Lake Community Church on December 4th.
